VISION

To work together with our citizens, customers and employees to create a city of recognized excellence with a high quality of life and unlimited economic opportunities.

MISSION

As the elected representatives and staff of the City of Lexington, we commit ourselves to work within state and federal laws to provide effective and efficient municipal services that are desired by our citizens and customers in order to assure a balanced quality of life, protection for our citizens, and planned economic growth. We will insure that our utility services are operated in a safe, effective and efficient manner and add to the quality of life of our community as well as provide for economic growth.
